

## 41<sup>st</sup> international MAITREFFEN of LC Stuttgart e.V.

LC Stuttgart e. V. will once again be organising a MAITREFFEN in 2026. As was the case last year, this will attract the fetish community to the Swabian metropolis of Stuttgart.

The 40<sup>th</sup> MAITREFFEN in 2025 welcomed over 600 guests from more than 12 countries. Over 20 queer events throughout Stuttgart thrilled the fetish community, including highlights such as the XXL KinkFactory, visits to local bars, meeting places of the fetish scene and, of course, the election of Mr Fetish Baden-Württemberg.

MAITREFFEN 2026 will once again offer a colourful programme throughout the entire May weekend.

With events like MAITREFFEN, LC Stuttgart e.V. makes an important contribution to the work in the community and provides a safe space for it.

LC Stuttgart e.V. is also committed to continuously improving its events. This is evident from the positive response throughout Germany and beyond.

Organising a meeting of the fetish community on this scale is not possible without support. Therefore, LC Stuttgart e.V. relies on the help of partners.

We would like to present the various ways in which you can support MAITREFFEN 2026 and thus the voluntary work of LC Stuttgart e.V.

In addition, LC Stuttgart e.V. is also open to long-term cooperation.
